**Re: American Moving and Storage, LLC  
Docket No. 2013-58-T**

Dear Jocelyn:

We appreciate the Commission's expedited consideration of American Moving and Storage, LLC's request regarding expedited publication. However, the Regional Contracting Office for the Marine Corps Recruit Depo at Parris Island indicated that the bids on the contract would be evaluated yesterday. As a result American Moving determined that it should wait to move forward with publication of its request in case it was not awarded the contract and wanted to change the scope of its requested authority. However, American Moving just learned this morning that American Moving and Storage, LLC must provide proof of its South Carolina certification prior to the contract being awarded. Therefore, we respectfully request that the publication deadline be moved to Monday, February 25<sup>th</sup> with a deadline for intervention of Wednesday February 27<sup>th</sup>. We enclose a copy of the Notice of Filing with the deadline for intervention of Wednesday which we propose to substitute for the one provided by the Commission. We must provide these notices to the newspapers this morning in order to make a Monday deadline for publication.

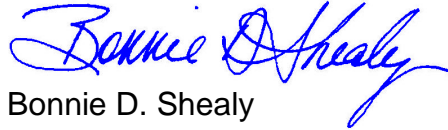

We anticipate filing verified testimony on Monday in support of the application and would request that the Commission place the application on its agenda for approval at its upcoming meeting on Wednesday, February 27<sup>th</sup> to issue a temporary Class E Certificate subject to a later hearing date should any parties intervene and oppose the application. If no parties intervene and oppose the application, we would request that a permanent Class E certificate be submitted.

Jocelyn Boyd, Chief Clerk/Administrator
